

SaFTFlo® Pouch Adapter Insert

The SaFTFlo® Bung Adapter fits a standard 2 inch drum Specifically designed to fit into Scholle Bags, the SaFTFlo® Pouch Adapter is the only one of its kind in the market place; offering closed loop technology for a bag container.

As bag containers are space saving, they cut down on shipping costs and are more economical due to being able to achieve 100% evacuation of chemical / liquid from the bag.

Key Features

- Designed specifically to fit the Scholle bag
- 100% evacuation of chemical from bag
- Space saving due to the nature of bags being more malleable.
- First and only product of its kind in the market place
- Compatible with SaFTFlo 38mm Cap Adapters and Ship Caps.

Materials / Options

- Materials: Polypropylene / HDPE / PE Foamer Liner / Spring (Stainless steel, Hastelloy, TPV)
- Sizes: 38mm
- Standard flow rate
- For color options please contact your sales representative

For superior performance results, use the SaFTFlo® Pouch Adapter in conjunction with our full line of liquid containment and dispensing products from the SaFTFlo® Fluid Management Systems.
