

Bulkhead Adapter

PATENT: 8,702,203
MADE IN THE USA

Safest Solution for the Containment & Dispensing
of Chemical Concentrate from Large Containers

► What is it and what does it do?

The **SaftFlo® Bulkhead Adapter** offers a Closed Loop containment and dispensing solution for larger containers. No chemical contact for any employees or transport teams making it the safest way to contain and dispense your chemical concentrate.

The **Bulkhead Adapter** fits the industry standard 2" pails and drums and is available in both a NPSM (fine) and buttress (course) thread profile. A standard 38mm **SaftFlo® Cap Adapter** is connected to the **Bulkhead Adapter** to establish chemical flow for Closed Loop dispensing.

SAFTFLO®

► BENEFITS

- Provides a Closed Loop solution for large containers
