

Ship Cap

MADE IN THE USA

Secure Solution that Ensures the Safety of Your Chemicals During Transit

► What is it and what does it do?

The **Ship Cap** is specifically designed to go with the **OneFlo™ Bottle Inserts**. Our unlined Ship Cap when used with a **OneFlo™ Insert** offers a visible seal to the bottle neck, ensuring chemical containment.

With being 100% recyclable, RD Industries offers durable and heavy walled **Ship Cap** options to provide a high level of security and safety while transporting your chemicals.

► BENEFITS

- Recyclable Liner* | Venting options will affect if the product can be recycled
- Sustainably manufactured
- Unlined Ship Cap creates an O-ring seal when used with our OneFlo™ Inserts

► KEY FEATURES

- Sizes: 38mm, 44mm
- Materials: Polypropylene, Co-polymer, HDPE
- Please contact your sales representative for color options
